## TIME TO BREAK-THE-FAST

### WITH LUSCIOUS DESSERTS

Perfect for:

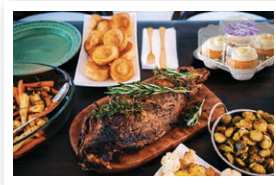

**Temples & Synagogues • Kosher Caterers & Delis • Retirement Homes**

Yom Kippur, a Jewish holy day ten days following the Jewish New Year of Rosh Hashanah, is a time to reflect and atone for the sins of the past and to begin the year with a clean slate. To observe this high holiday, it is tradition to fast for 24 hours while praying and going to temple. It is tradition to eat after fasting with meals that replenish the body with nutrients and energy. It is also customary to serve some tasty treats!

**THIS YEAR, MANY SERVICES MAY BE HELD VIRTUALLY.** To help your patrons keep with tradition and raise funds, offer pre-ordered desserts with the option to pickup or deliver right to their home the day before services.

Family 4 or 6 packs, individually-wrapped desserts, individual slices, or whole cakes & pies are the perfect selections!
